

Newsletter No. 2 – January 2022

Greetings from the *Sands of Time* Conference Organising Committee. We are pleased to be able to keep you informed on the progress of the 2022 conference. It is exciting to note that the Conference starts in less than 10 months.

The conference will be held from Friday 21st October – Sunday 23rd October 2022, hosted by History Redcliffe and History Queensland.

Redcliffe is getting ready to host the most amazing conference for you and we have been working with the Redcliffe Leagues Club, The Dolphins Club to deliver not only a great conference but a wonderful dinner in a unique location overlooking the football fields and beautiful clubhouse.

Venue News

The **Redcliffe Dolphins** have officially been granted a license to join the NRL competition in 2023 and the club could potentially play home games at three stadiums. The Dolphins will become the 17th team in the National Rugby League. This is a great achievement for the club and has definitely focused the spotlight on Redcliffe.

One of our own lovely History Redcliffe members made a donation of \$1,000 anonymously just to make sure we get the financial support we need to make this conference great. We just love this level of commitment and are so very grateful. Thank you, anon!

Traders in Purple became our very first sponsor, Traders in Purple is a national property and construction group with a difference. Their portfolio spans a diverse spectrum of projects including apartments, masterplan communities, mixed-use precincts and hotels. Check out their website <https://tradersinpurple.com>.
